RFU Regulations

3.1 Membership

The RFU Council has designated two categories of members:

(a) voting members which are Clubs that are in membership of the RFU and therefore entitled to the privileges of membership of the RFU set out in the RFU's Rules;

(b) non-voting members which are Clubs not meeting the criteria for voting membership of the RFU but being Clubs having separate status and identity and in membership and approved by its Constituent Body (e.g. casual clubs, work teams, some student clubs, some service clubs), schools, leisure rugby organisations and organisations such as the England Deaf Rugby Union and Great Britain Wheelchair Rugby Union.
